

YOSHIMI

Because you're gorgeous...

Pampering comes as standard, naturally, in our luxurious five-star hair salon. Relax and drift away as soothing, expert hands transform your hair – clipping, snipping and smoothing, and always improving. Our Creative Director, our Salon Director and our stylists have the expertise you could only wish for, whether you're here for just a cut and blow-dry, an imaginative re-style,

straightening, or highlights. We can put your hair up, copy a style you've seen, or simply keep your current style looking great. And if you're feeling especially decadent, why not sit back and abandon yourself to the pleasures of our Shiatsu Massage Chair? And don't forget our Bar and Function Suite – the perfect place to wind down with friends, celebrate a special occasion, or simply party!

YOSHIMI BAR & FUNCTION SUITE

Celebrate with style

You're too young to remember, but salons used to be places in which people would have their hair done, perhaps be offered an instant coffee if they were lucky, then be back outside before they could get their breath back. Yoshimi was never like that. Apart from the wickedly tempting range of treatments we offer, we give you the chance to relax and make a day of it.

You can meet your friends here in our intimate Bar while you all unwind in between treatments and compare notes. What was that massage really like? And which celebrity has the best hairstyle? Or how about a class in our Fitness Studio? Then there's our exclusive Function Suite – the perfect place for your own private party or for conferences and business meetings.
